Hello:

I would like to get your comments back by next Tuesday. Also we will need the enforcement attachment by the action memo briefing date which I hope will be next week as well.

Susan: Please let everyone know if we need to get it any sooner.

Thanks

Subject: CES Action Memo (DRAFT)

Hello:

Here is my Action Memo for CES. Could you review again as I made some changes. I think it is ready for routing except for Enforcement Attachment.

Thanks
